HIS FIRST VISIT

To Oregon as Recorded in the Mound City News.

EUTORS SENTINGE: - Priends and Fellow Countrymen: There was a man visited our town week before last - A distinguished guest. He did not notify us of his intended visit. I do not know now who he is but think it must be Dom Pedro or The King of the Cannibal Islands, or some of them D ___ literary fellers. He got as far as Forest City without finding a single thing to complain about not a single thing. He might have r about the uncomfortable seats in the Christian Science. cars or about the unobliging conductors

he came all the way from Mound City. But he had no sooner set foot on the platform than his troubles began. He or Kyger to convey his careass to Ore. gon, but whoever did brought him up in "an ancient wagen that looked as if it destares how much you understand." might have done service in Mexico in the

Oh, my countrymen! And here began his difficulties, There was mud sure enough. Mud, real mad

on the road think of that. And that hill that awful hill ought not to have been there. I think myself A few odd sizes in \$5 and \$5. Coals to the boys ought to have removed the hill before they started up here with that feldice at \$3, \$350 and \$1.50.

"We arrived at Onegon withou any serroom encuralties! !!! Gee Whittaker He got here all right

And then He saw all the count. You, he dot. He called adge Anthony's Justies Homeopathic evidently he does business on a larger scale probably decapitates heads by platoons when he is:

He is one to have succeeded by skirm whing around to find concething to drink, the red liquor here on account of the the idea of Christian Science in this danger of falling into difches. Now as place only about three years, yet I am this was his first visit, and as I positively know that there are no disches on any oldest and most honored citizens of the vault, and it will be but a few weeks | Don't let's squander our means that OREGON, - MISSOURI. of the main street that they are only to Oregon. be found on by streets, and dark alleys, I am curious to learn what he was out in that part of town for. What was he looking for? Had be been informed that there was * with strangers in that part

of our city? I give it up. stanner. He says that there were about 30 people in town and they couldn't find choose still to be a pilgrim and a stranplaces to stay in Oregon, "Some of them | ger, had to go home and some went to Forest City." He does not say where he went but possibly he staid in the neighbor hood of "them ditches."

Now if I had not a very high regard - The women are downing Hailroad for our visitor I would say he is some thing of a liar himself. Why, our one hotel will care for fifty people and there sence of four weeks. They did not go boarding houses to take care of a hunfarther away then the heavy timber dred more. No decent looking persons a ong the creeks and river. Turtle doves have been seen all winter along Mill Orock. Bees were flying Wednesday.

Orock. Bees were flying Wednesday.

Onegos, Mo., January 27, 1890. EDITORS SENTINEL: -Will you kindly permit me to say a few words in reply to the "Duffer"that wrote up his "first visit to the county seat,"in last week's issue of the Mound City News. I agree with "Duffer" when he says no one visits Oregon or the county seat unless compelled to, with la grippe, followed by pneumonia. se far as Mound City is concerned, because the most of Mound City people the country; having hardly time to eat -A good many persons have an idea that come here, come with the theriff or sleep. sible and to give everybody free puffs. chicken thieves have about as much use

Wat REAS, It has pleased our Supreme when they must separate.

Mr. T. D. Roberts. DEAR SER:

In your last statement in the Sexti-NEL you assume the attitude of one very much abused. My purpose has not been to attack

your personal character, and I hope I have not done so. As to your being a "gentleman" I would say, your action which, I criti-

cised, is considered gentlemanly by the It is considered proper to resort to any

means, however unjust, to make it appear that Christian Science is a fraud. The misstatements to which I refer kicked about the smoke from the engine, have peddied out under the name of are the incorrect statements which you

Can the mathematician, so called, who and brakeman, but he didn't mind you, is not able to work out a single problem make an intelligent statement of math-

The school boy may whine, "I have too didn't say whether he trusted Cochran read mathematics, I have too studied my legion" but the teacher replies, Your ability to work out the problem

No one but a practical Christian Scientist really understands its teachings. Hence every statement made by one who is not, must of necessity be a misstatement. Saul was plowing up that which he

incerely believed the word of God point ed out as pernicious," but he enche in contact with an obstruction which broke his his ploy share and disabled him. Your "belief" may not be correct; one

may as readily believe a lie as Truth. He sure you know, "lest you be found fighting against the work of God." Why not point out the evil results of Christian Science? By their fruits yo shall know them," not by this belief.

Is the tendency to root out your opin

ion or religious belief your only ground for condemnation? Possibly your opinion is not correct. Before you cry false doctrine, it may be well to be sure you have the genuine. As to the crime of being "a stranger," but thinks it is a bad notion to tackle I would answer, truly I have advocated

> "He not slow to enterture strangers." Strangers pointed out the way to Lot. A stranger at the open sepulchro de clared, "He is not here but is risen as he
